☞ Please note that there is a swap of the tours via Boxberg and Heidelberg city centre. This will guarantee enough time for staff to call the Call-in Taxi (line 1004).

☞ We would like to emphasise that the Shuttle Service is designated to take EMBL employees home after work. People living in the Guesthouses wishing to go downtown for private purposes have to use the public bus and not the shuttle. They may be asked to get off the shuttle.

☞ The EMBL shuttle bus makes round trips, so passengers wishing to go to EMBL in the evening can take the evening shuttles from the ISG and the Guesthouses.
